## Imputation Service Agreement

This agreement establishes the terms and conditions under which the **SUBMITTER** (signed below) is using the imputation service provided by **H3ABioNet** (<https://www.h3abionet.org/>) (under Prof. Nicola Mulder, PI) as the **SERVICE PROVIDER**. The data received from the submitter Project will be protected as follows:

1. This data will be used **ONLY** for imputation. It will not be accessed or shared with any other individual or party without permission from the submitter and not be used for any other purpose.
2. All transferred and resulting imputation data in the service shall remain the property of the submitter and will be destroyed within 7 days after the completion of the imputation process.
3. The submitter agrees to acknowledge the H3ABioNet service (NIH grant number U24HG006941) in publications that make use of the results and to cite the following papers relating to the imputation service framework used:
  - i. Imputation Server -- Das, S. *et al.* (2016). Next-generation genotype imputation service and methods. *Nature Genetics*, 48(10), 1284–1287.
  - ii. Minimac Imputation -- Fuchsberger, C. *et al.* (2014). minimac2: faster genotype imputation. *Bioinformatics*, 31(5), 782–784.

I, ..... (the **SUBMITTER**), hereby agree to terms of this agreement.
